THE VERY BEST IN CORPORATE ENTERTAINMENT

We have over fifteen years of event experience, ensuring that we provide an incredibly entertaining and professional drinks service groups both large and small.

GREAT BRITISH SHAKE OFF

Our favourite package is based upon the nation's favourite show about cakes, however ours comes with a twist (or an olive).

We'll split everyone up into teams, and then present each team with a crate full of ingredients, some labelled, some not, along with a list of cocktails that you need to make within 30 minutes (these may, or may not have the full instructions).

Cocktails are judged by our bartender (Paul "Shaken not Stirred" Hollywood) and the winning team are awarded 'Star Shaker' along with some prizes.

There will also be some other elements, including arrival drinks and the showstopper challenge.

COST: £40PP + VAT

Venue requirements:
Tables, 1 per 6 delegates.

STAR BEHIND THE BAR

So you've learnt how to make a good tasting cocktail. Think you have what it takes to make it at speed and still make it taste good?

Inspired by BBC's Top Gear, we have devised the very game for testing just that. Delegates are invited behind our bar to be shown a recipe card and the ingredients, tools and glassware necessary to mix one cocktail as fast as possible.

Members of our team will be on hand as adjudicator to ensure no cheating takes place and to start and stop the timer. The drinks will be tasted and the score recorded for prosperity on our magnetic scoreboard.

The winner at the end of the session will be awarded with a cocktail shaker prize. Delegates can enter as many times as they like.

COCKTAIL CLINICS

It's simple; put a group of keen delegates into a room with our charismatic team of bartenders and cocktails & fun will flow.

Over a 90 minute session, your delegates will be taught the skills (to pay the bills) to recreate both simple and complex cocktails for for one of our expert bartenders to score. Groups will then be tasked with creating their own original cocktail to be assessed by their peers with, the winning team presented with prizes.

Of course, we have our team on hand to provide assistance and advice to minimise breakages and terrible tasting drinks!

Everyone loves to learn new skills and testing them out with some fun and friendly competition along the way.

We provide everything so you just need to bring the team.

We can also include functional bartending stations for larger spaces such as conference suites or office space. Why not book in as a pre-dinner activity to work up an appetite.

DRINKING CLASSES

In the famous words of Oscar Wilde, “Work is the curse of the drinking classes”. Well we say, why not do both?

Choose your spirit, and allow us to educate you on it’s story, from origins to modern mixes. We’ll try some variations of the spirit, and even have a go at replicating the creation of infused spirits.

For something more in-depth, we can offer premium options on the spirits, such as our Round the World whisky tastings with bottles averaging £65 each.

Group sizes can be from as little as 8 guests, going up into the 100s.
