STAR BEHIND THE BAR

SO, YOU'VE LEARNT HOW TO MAKE A GOOD TASTING COCKTAIL. THINK YOU HAVE WHAT IT TAKES TO MAKE IT AT SPEED AND STILL MAKE IT TASTE GOOD?

Inspired by BBC's Top Gear, we have devised the very game for testing just that. Delegates are invited behind our bar to be shown a recipe card and the ingredients, tools and glassware necessary to mix one cocktail as fast as possible.

Members of our team will be on hand as adjudicator to ensure no cheating takes place and to start and stop the timer. The drink will be tasted and the score recorded for prosperity on our magnetic score board.

The winner at the end of the session will be awarded with a cocktail shaker prize set. Delegates can enter as many times as they like.

Groups will then be tasked with creating their own original cocktail to be assessed by their peers with, the winning team presented with prizes.

Of course, we have our team on hand to provide assistance and advice to minimise breakages and terrible tasting drinks!

Everyone loves to learn new skills and testing them out with some fun and friendly competition along the way.

We provide everything so you just need to bring the team. We can also include functional bartending stations for larger spaces such as conference suites or office space.

Why not book in as a pre-dinner activity to work up an appetite.
